

NM Prader-Willi Syndrome Project

MAY 2021

HI PWS COMMUNITY... **MAYBE** you already knew this, but May is *PWS Awareness Month*. And what better way to celebrate than to spend a few minutes checking out the upcoming PWSA Annual Convention?!

This year, you don't even need to pack your bags or book a flight, because it is coming to a home or office near you. The virtual event will be held **June 22nd through June 26th**, and will provide an opportunity to connect with families, providers, and medical professionals. It's a chance to engage with others who share your passion for increasing and spreading knowledge to further enrich the lives of individuals with PWS.

For more information and to register for the event, please visit the PWSA website at: pwsausa.org
